

Solicitation Number: (05-0003-04)
Conference/Event Support Services for the Office of Naval Research
(Code 342 – Human Services)

The statement of work, order information, proposal submission requirements, and evaluation information are set forth below. Proposals from holders of ONR Multiple Award Contracts (MATOC) for support services under CLIN 0003 – Conference/Event Support Services are due by 2:00 PM (local), 18 July 2005

1.0 Background

The contractor shall support the Office of Naval Research's Workshop on Socio-Cultural Research and Tools for 21st Century Conflicts scheduled for September 26-28, 2005. This meeting will be a medium (250 people) off-site event for fostering and obtaining community agreement to plans and programs.

2.0 Statement of Work

2.1 Objective

ONR requires top-level contractor assistance to support responsibilities it is assigned, including rental of spaces, logistics, documentation, travel by participants, etc. The Offeror shall provide the required personnel who will manage the tasks listed below and will provide the services described.

2.2 Scope

A. Pre-meeting services: The Contractor shall provide the following pre-meeting services.

- The Offeror will work with the Contracting Officer Representative (COR) to establish the list of participants, and addresses.
- The Offeror will arrange for and fund airfares and per diem for approximately 20 selected non-governmental personnel to include itinerary speakers, experts and other discussion topic facilitators traveling to the meeting, and handle all transportation scheduling. These participants will require airfare and per diem for three days in Washington, D.C. Per Diem rates must be the same as those authorized by the Joint Travel Regulations (JTR).
- The Offeror will prepare and distribute all pre-meeting information to all participants, including review drafts, agenda, and handouts. This distribution may be electronic (via e-mail, web site, or CD distribution) or hard copy or both.
- The Offeror will provide and convey all materials to the meeting site.

B. Onsite meeting services: The Contractor shall provide the following onsite meeting services.

- The Offeror will conduct inspections of the meeting site with site personnel to ensure that facilities, furniture, equipment, and signs are appropriate.
- The Offeror will conduct registration and will distribute materials.
- The Offeror will provide typing, reproduction, and photocopying services.

C. Post-meeting services: The Contractor shall provide the following post-meeting services.

- The Offeror will distribute draft summaries for review and comment, and make final changes in consultation with the Organizer.
- The Offeror will distribute notes and summary of the conference electronically to meeting participants.

3.0 Personnel Requirements

3.1 Personnel Qualifications

The Contractor shall provide qualified personnel to manage and execute all aspects of the statement of work.

4.0 Order Details

4.1 Contract Type: The Navy anticipates awarding a cost plus fixed fee completion task order.

4.2 Period of Performance: Date of Award through October 30, 2005.

4.3 Other Direct Costs (ODCs)

ODCs (including travel, supplies, etc.) will be reimbursed at cost plus G&A without profit or fee. This amount is a Not to Exceed (NTE) amount. However, purchases of items (other than consumable materials or supplies) exceeding \$2,500 and all travel must be approved in advance by the COR.

4.3.1 Travel and Per Diem - Travel will be required to support this Statement of Work. In accordance with the contract requirements, direct costs associated with the Contractor's travel, including per diem, shall not exceed the applicable rates found in the JTR. All travel arrangements under the Contractor's responsibility include: clearance requests, hotel accommodations, travel orders, and visa/passport requirements, unless otherwise stated by the Government sponsor.

4.3.2 Other Direct Costs (Other than Travel and Per Diem) - ODCs may be required to fully support this task requirement. At this time, the specific items cannot be identified; however, the ODC and Travel cost total cannot exceed the NTE amount awarded as cost and as stated in Section 4.3.

4.4 Place of Performance: Work will normally be performed at the Contractor's facilities, with the workshop held in a D.C. area hotel.

4.5 Government Furnished Resources (GFR): The Government will provide information, material and forms unique to the Government for supporting the task. The Government furnished resources necessary to perform the statement of work should be identified and requested through the designated COR.

4.5.1 Facilities, Supplies and Services: The facilities required to perform the tasks outlined in the Statement of Work will be at the Contractor's place of business.

4.5.2 Information: All Government unique information related to this requirement necessary for Contractor performance will be made available to the Contractor. The COR will be the point of contact for identification of any required information to be supplied by the Government.

4.5.3 Documentation: All existing documentation relevant to this task's accomplishment will be made available to the Contractor at the beginning of the task. The Contractor will be required to prepare documentation in accordance with defined guidelines provided by the Government.

4.5.4 Equipment: With the exception to the basic facility items noted Subsection 4.5.1, and in accordance with the general guidance in FAR Part 45.102, Contractors are required to furnish all property necessary to perform on Government contracts or orders. PC's should not be proposed as a direct charge under this solicitation. For security purposes, computers may be required to be authorized and approved for use by ONR.

4.6 Subcontracts/Consultants: Contractor may request or propose, on a case-by-case basis, subcontract/consultant support for specific technical tasks. In accordance with FAR 52.219-14 of the MATOC contracts, Contractor employees shall perform at least 51 percent of the cost of contract performance incurred for personnel.

4.7 Security Requirements:

- a) Clearance Requirements. No classified information or requirements are anticipated. The Contractor is required to safeguard the information labeled as proprietary.
- b) Privacy Act. All Contractor personnel assigned to this task will have access to information that may be subject to the Privacy Act of 1974. The Contractor is required to ensure the proper safeguarding of such information to prevent unauthorized release.

4.8 Organizational Conflict of Interest

4.8.1 Safeguarding Information

The parties acknowledge that, during performance of the contract resulting from this Order solicitation, the Contractor may require access to certain proprietary and confidential information (whether in its original or derived form) submitted to or produced by the Government. Such information includes, but is not limited to, business practices, proposals, designs, mission or operation concepts, sketches, management policies, cost and operating expense, technical data and trade secrets, proposed Navy budgetary information, and acquisition planning or acquisition actions, obtained either directly or indirectly as a result of the effort performed on behalf of ONR. The Contractor shall take appropriate steps not only to safeguard such information, but also to prevent disclosure of such information to any party other than the Government. The Contractor agrees to indoctrinate company personnel who will have access to or custody of the information concerning the nature of the confidential terms under which the Government received such information and shall stress that the information shall not be disclosed to any other party or to Contractor personnel who do not need to know the contents thereof for the performance of the contract. Contractor personnel shall also be informed that they shall not engage in any other action, venture, or employment wherein this information will be used for any purpose by any other party.

4.8.2 Organizational Restrictions

Support contractor's knowledge of competition sensitive information, described in paragraph (a) above, may unfairly affect its competitive position in future ONR research solicitations. The Contractor understands that, during performance of the contract resulting from this Order solicitation and for a period of up to two years after the completion of its performance of the contract, the Contractor, any affiliate of the Contractor, any joint venture involving the Contractor, any entity into or with which the Contractor may merge or affiliate, or any other successor or assign of the Contractor may not be eligible to participate as a prime Contractor, subcontractor, consultant, joint venture, partner, or other agreements directly impacted by the research programs.

5.0 Proposal Requirements

5.1 Proposal Format: The Offeror's proposal must be divided into two sections: (1) Technical Proposal, and (2) Cost Proposal. Information for the technical portion shall be a separate and segregable document from the cost proposal. No cost information should be included in the technical section. The length of the technical proposal shall not exceed ten (10) pages, exclusive of resumes. There are no page limits on the number of resumes or the pages of the cost proposal. The proposal should be written and organized to be compatible with the Statement of Work, company's organization and accounting structure, and proposed cost.

(a) Technical Proposal: The technical proposal should include the following: The Offeror's understanding of and approach to the requirement and the amount of proposed hours for personnel. The Offeror should describe specifically how the work activities required to complete the tasks in the statement of work will be done. The Offeror should explain how technical objectives, tasks and deadlines will be determined; how staff responsibilities will be assigned; whether and to what degree consultants and/or subcontractors will be utilized; how the quality and timeliness of work performance will be supervised and controlled; how the Offeror will coordinate with the COR; how a surge capacity will be maintained to meet unanticipated requirements; and how administrative tasks such as travel, security and resource requests will be handled.

The Offeror should include information relative to previous efforts for the same or similar services provided in the past to include contract numbers and Government points of contact where applicable.

The Offeror should explain what corporate facilities are available and would be used in support of the work including computer resources, publication/media materials and equipment where appropriate. The proposal should acknowledge that the Contractor will provide the appropriate IT/telecommunications equipment for the proposed personnel for this task order.

(b) Cost Proposal: The Offeror should submit a cost proposal that itemizes the following proposed costs (as applicable): direct labor (including each labor category with associated proposed hours and hourly rate), fringe benefits, labor overhead, consultants, subcontracts, subcontractor/consultant handling charges, G&A, cost of money, fixed fee and any other relevant cost categories. The Offeror should also include the estimated Travel and ODC amounts set forth in the "Other Direct Costs" section of the solicitation as part of its proposed costs. The base calculation and rates must be provided for all indirect cost items.

Subcontract cost information containing the same type of details described above for the prime must be provided either with the proposal (it can be submitted in sealed envelope) or mailed separately before the solicitation due date and time.

If available and applicable, the Contractor should also provide its Defense Contract Audit Agency (DCAA) point of contact, including the Branch Office name, auditor name, phone number and e-mail address.

5.2 Other Required Documents: Offerors should be aware that, upon receiving an award, the following additional documentation will be required:

5.2.1 Non-Disclosure Agreement. Each employee of the successful Offeror will be required to sign a Non-Disclosure Agreement (NDA) prior to commencing work under this Order. The supervisor/manager of the proposed personnel will also be required to sign the NDA on behalf of the Contractor. Attachment A is the NDA that shall be used at the commencement of this order.

5.3 Proposal Submission: The due date for receipt of proposals for this solicitation is no later than 2:00 (Local Time) on 18 July 2005. All forms of proposal submission must include a signed cover sheet. Proposals can be:

(a) Uploaded electronically via the "[Upload Proposals](#)" hyperlink, which is under the hyperlink for this solicitation on ONR's MATOC website (Note: this site restricts the formats of uploaded documents to those in MS Word, MS Excel, or pdf), or

(b) Sent by regular mail (express mail acceptable) or hand delivered. The original and two copies must arrive by the above deadline at the following address:

Office of Naval Research
Attention: Larena Sellers, Code 254
875 North Randolph Street, Suite 1425
Arlington, VA 22203-1995
Ref: MATOC Solicitation Number 05-0003-04

6.0 Evaluation Information

6.1 Evaluation Criteria: A Task Order will be awarded to the responsible offeror whose offer represents the best value to the Government. In order to determine which offeror represents the best overall value, offers for individual task orders will be evaluated on the following Technical and Price/Cost Factors:

Technical Factors

- (1) Proposed personnel
- (2) Management Plan and Technical Approach
- (3) Past performance on earlier tasks under this and similar contracts
- (4) Corporate Facilities

Price/Cost Factors

- (5) Cost

The Government will make a determination of the overall value of each proposal in terms of its potential to best satisfy the needs of the Government, considering both Technical and Cost Factors.

The Offeror's technical capability (as measured by the Technical Factors) and Cost Factor are equal in importance. In regards to the stated Technical Factors, Technical Factor 1 is of the greatest weight; Technical Factors 2 through 3 are equally weighted. Technical Factor 4 is of less value than all other Technical Factors.

In evaluating past performance on individual orders, the procedural requirements in FAR 42.15 are not mandatory. Past performance will be based on the Government's subjective evaluation of the Contractor's performance with previous orders, if any, under this contract and similar contracts.

6.2. Award: The Government will award a task order to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, cost and other factors considered. The anticipated award and start date of this Order is on or around 1 Aug 05

7.0 Submission of Questions: Any questions regarding this solicitation must be provided in writing to the Point of Contact listed below. Acceptable forms of written question submission include fax and e-mail. Questions submitted less than 72 hours prior to the closing date for proposals may not be answered and the due date for submission of proposals may not be extended.

8.0 Solicitation Amendments: Any amendments to this solicitation will be posted along with the solicitation on the ONR website. It is the Offeror's responsibility to regularly check for any postings of solicitations, amendments, and questions and answers under this or any other MATOC Solicitation.

9.0 Point of Contact: The Point of Contact for this solicitation is: Larena Sellers (703)696-0687

**Non-Disclosure Agreement Regarding Contractor Support
for the Office of Naval Research**

The undersigned individual, _____, agrees, both in his

personal capacity and as an employee of _____ as follows:

BACKGROUND

1. The mission of the Office of Naval Research is to plan, foster, and encourage scientific research and technology development in recognition of their paramount importance in the maintenance of future naval power and the preservation of national security. ONR provides for the continuing technological superiority of U.S. naval forces, by providing the Department of the Navy (DoN) with mission-relevant, affordable new capabilities that create and exploit scientific breakthroughs, respond to fleet requirements, and support strategic U.S. industries. ONR requires contractor technical services and research support in order to meet these requirements. The services/support that may be provided to ONR by contractor personnel include but are not limited to the following:
 - i. Assist ONR personnel in overall technical program management support on matters and issues consistent with ONR sponsored development projects, including assisting in the evaluation of white papers, proposals, program/project planning, investment reviews, technology assessments, data analyses, conference and seminar activities, and financial issues.
 - ii. Provide support in the financial execution of ONR programs. Monitor availability and use of funds. Review financial documents and plans for impact on program objectives and requirements. Prepare internal financial notices, instructions, guidelines and reports. Conduct analyses and provide reports that identify, quantify and evaluate financial execution of accounts and accomplishment of program goals and milestones. Coordinate preparation and review of actual and projected funding estimates, justifications and strategies. Identify deficiencies, excesses, trends and imbalances to assure funds availability. Work with program personnel to expedite financial execution and ensure programmatic benchmarks are met.
 - iii. Draft analyses, presentations, notes, assessments, testimonies, speeches, and other materials on various technical/management topics, as requested, for use by ONR personnel with other internal ONR departments and externally with the Navy staff, Department of Defense, other federal and state agencies and the U.S. Congress.
 - iv. Provide assistance in the areas of information technology to include database design and maintenance, software development, graphics and reproduction, and other allowable materials and services.
 - v. Provide administrative and management support in the execution of ONR programs to include the preparation of official documents and files for execution by Government employees.

- vi. Provide support on technical, programmatic and operational matters pertaining to the diverse array of technologies investigated and supported by ONR.
2. The undersigned individual is serving as contractor support for ONR. As such, he has and will continue to come into contact with proprietary technical and commercial information. He likewise will have access to sensitive internal information developed by or on behalf of the Government in connection with the accomplishment of ONR's mission.

AGREEMENT

1. The undersigned individual agrees that he will not disclose to any individual, company, or Government Representative¹ any information² relating to current or proposed Navy budgetary information, acquisition planning or acquisition actions, obtained either directly or indirectly as a result of the effort performed on behalf of ONR. The undersigned individual agrees that he will promptly notify the ONR Office of Counsel of any attempt by an individual (including any contractor personnel), company or Government Representative to gain unauthorized access to such information, and of any disclosure of such information to unauthorized parties. Such notification shall include the name and organization, if available, of the individual, company or Government Representative seeking access to such information.
2. The undersigned and his employer acknowledge that the owner of any proprietary information improperly disclosed stands as an intended third-party beneficiary of this non-disclosure agreement. In the event of an unauthorized disclosure of proprietary information, the owner of the information may seek legal recovery under this non-disclosure agreement, even though the information owner is not a formal party to the agreement.

FOR THESE REASONS the undersigned individual agrees on his own behalf, and his employer likewise concurs, to protect, respect and not disclose the proprietary information and Government mission- and procurement-sensitive information that may come to their attention as part of the contract assistance provided to ONR.
